**b. Ordering Procedures.**

Written orders, EDI orders, credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract.

For credit card orders and BPAs, telephone orders are permissible.

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services.

- i. FAR 8.405-1 Ordering procedures for supplies, and services not requiring a statement of work.
- ii. FAR 8.405-2 Ordering procedures for services requiring a statement of work.

**14. Payment Addresses**

| <b>For Remittance via Check</b>   | <b>For Remittance via EFT</b>   |
|---|---|
| i3 - Identification International Inc.<br>Account Receivable<br>2901 Prosperity Road, Suite E<br>Blacksburg, VA 24060 | ABA and Account Information will be provided upon receipt of written request or designated on the i3 invoice. |

**15. Export Packaging**

Export packaging and pricing available upon request.

**16. Terms and Conditions of Government Purchase Card Acceptance**

Contractor will accept Government purchase cards for amounts up to \$50,000. Amounts over \$50,000 need to be negotiated with Contractor.

**17. Terms and Conditions of Rental, Maintenance and Repair**

The Contractor shall provide maintenance for all equipment listed herein, as requested by the ordering activity during the contract term. Repair service and repair parts/spare parts shall apply exclusively to the equipment types/models within the scope of this Information Technology Schedule.

Costs of any repairs performed for the purpose of placing the equipment in good operating condition shall be borne by the Contractor, if the equipment was under the Contractor's guarantee/warranty or maintenance responsibility prior to the effective date of the maintenance order.

***a. Pre-conditions of Rental, Maintenance and Repair***

Equipment placed under maintenance service shall be in good operating condition. In order to determine that the equipment is in good operating condition, the equipment shall be subject to inspection by the Contractor, without charge to the ordering activity.

If the equipment was not under the Contractor's responsibility, the costs necessary to place the equipment in proper operating condition are to be borne by the ordering activity, in accordance with the provisions of Special Item Number 132-12.

When repair service is ordered, only one chargeable repairman shall be dispatched to perform repair service, unless the ordering activity agrees, in advance, that additional repair personnel are required to effect repairs.

Ordering activity personnel shall not perform maintenance or attempt repairs to equipment while such equipment is under the purview of a maintenance order, unless agreed to by the Contractor.

The ordering activity should not return defective equipment to the Contractor for adjustments and repairs or replacement without his prior consultation and instruction.

Subject to security regulations, the ordering activity shall permit access to the equipment which is to be maintained or repaired.

***b. Orders for Rental, Maintenance and Repair***

The Contractor shall confirm orders within fifteen (15) calendar days from the date of receipt, except that confirmation of orders shall be considered automatic for renewals for maintenance. Automatic acceptance of order renewals for maintenance service shall apply for machines which may have been discontinued from use for temporary periods of time not longer than 120 calendar days. If the order is not confirmed by the Contractor as prescribed by this paragraph, the order shall be considered to be confirmed by the Contractor.

The Contractor shall honor orders for maintenance for the duration of the contract period or a lesser period of time, for the equipment shown in the pricelist. Maintenance service shall commence on a mutually agreed upon date, which will be written into the maintenance order. Orders for maintenance service shall not extend beyond the end of the contract period.

The maintenance and repair service rates listed herein are applicable to any ordering activity location within a 100 mile radius of the Contractor's service points. If any additional charge is to apply because of a greater distance from the Contractor's service locations, the charge will be: travel and transportation expenses outside of the specified service areas will be charged by the Contractor at the prevailing government per diem and travel rate schedules,

***c. Delivery of Rental, Maintenance and Repair Orders***

For equipment not covered by a maintenance contract or warranty, the Contractor's repair service personnel shall complete repairs as soon as possible after notification by the ordering activity that service is required. Within the service areas, this repair service should normally be done within 4 hours after notification.

When repair services cannot be performed at the ordering activity installation site, the repair services will be performed at one of Contractor's sites listed in section 20.a.

All repair work will be warranted for a period of **90 days** or through the expiration of the warranty on the subject device, whichever is longer.

***d. Maintenance and Repair Services on Non-Warranted Parts***

Charges for maintenance and repair service will include the labor charge at the rates set forth below, for the time during which repairmen are actually engaged in work, and, when applicable, the government approved rate for per diem and travel.

The cost of transportation, packing, etc., from the ordering activity location to the Contractor's plant, and return to the ordering activity location, shall be borne by the ordering activity.

When equipment is repaired at the ordering activity location, and the ordering activity location is within the Service Area defined by section 17.b, no extra charge, time, or expense will be allowed for travel or transportation of repairmen or machines to or from the ordering activity office; such overhead is included in the repair service rates listed.

When equipment is repaired at the ordering activity location, and the ordering activity location is outside of the Service Area defined by section 17.b, a travel charge of prevailing US Government mileage rate for repairmen applies to the round-trip distance between the geographic limits of the applicable service area and the ordering activity location. Such charge will apply as an additional charge, but it will be limited to one round trip for each request that is made by the ordering activity for repair service. When the overall travel charge computed at the above mileage rate is unreasonable (considering the time required for travel, actual and necessary transportation costs, and the allowable ordering activity per diem rate for each night the repairman is required to remain overnight at the ordering activity location), the ordering activity shall have the option of reimbursing the Contractor for actual costs, provided that the actual costs are reasonable and allowable. The Contractor shall furnish the ordering activity with a report of travel performed and related expenses incurred. The report shall include departure and arrival dates, times, and the applicable mode of travel.

***e. Labor Rates***

The Regular Hours repair service rates listed herein entitle the ordering activity to repair service during the period 8:00 a.m. to 5:00 p.m., Monday through Friday, exclusive of holidays observed at the ordering activity location. There shall be no additional charge for repair service which was requested during Regular Hours, but performed outside the Regular Hours defined above, at the convenience of the Contractor.

When the ordering activity requires that repair service be performed outside the Regular Hours defined above, except Sundays and Holidays observed at the ordering activity location, the After Hours repair service rates listed herein shall apply. The Regular Hours rates defined above shall apply when repair service is requested during Regular Hours, but performed After Hours at the convenience of the Contractor.

When the ordering activity requires that repair service be performed on Sundays and Holidays observed at the ordering activity location, the Sundays and Holidays repair service rates listed herein shall apply. When repair service is requested to be performed during Regular Hours and/or After Hours, but is performed at the convenience of the Contractor on Sundays or Holidays observed at the ordering activity location, the Regular Hours and/or After Hours repair service rates, as applicable, shall apply.

| <b>Location</b>                                   | <b>Minimum Charge</b> | <b>Business Hours per hour</b> | <b>After Hours per hour</b> | <b>Weekends and Holidays per hour</b> |
|---|-----------------------|--------------------------------|-----------------------------|---------------------------------------|
| Contractors Location                              | \$125.00              | \$125.00                       | \$187.50                    | \$250.00                              |
| Ordering Activity Location (within Service Area)  | \$250.00              | \$125.00                       | \$187.50                    | \$250.00                              |
| Ordering Activity Location (outside Service Area) | \$500.00              | \$125.00                       | \$187.50                    | \$250.00                              |

\*MINIMUM CHARGE INCLUDES 1 FULL HOUR ON THE JOB.

\*\*FRACTIONAL HOURS, AT THE END OF THE JOB, WILL BE PRORATED TO THE NEAREST QUARTER HOUR.

## **18. Terms and Conditions of Installation**

Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed in section 17.e.. Remote installation is available as shown in the price list.

**19. Terms and Conditions of Repair Parts**

All parts, furnished as spares or as repair parts in connection with the repair of equipment shall be new, standard parts manufactured by the equipment manufacturer. All parts shall be furnished at prices indicated in the Contractor's commercial pricelist.

All parts, furnished either as spares or repairs parts will be guaranteed/warranted for a period **90 days**.

**20. Terms and Conditions for Other Services****a. Service and Distribution Points**

**i3 - Identification International Inc.  
2901 Prosperity Road, Suite E  
Blacksburg, VA 24060**

**21. Participating Dealers**

None at this time.

**22. Preventative Maintenance**

Follow computer manufacturer's recommended maintenance and the maintenance procedures provided in the manuals accompanying the products.

**23. Warranty Provision**

Unless specified otherwise in this contract, the Contractor's standard commercial warranty applies to this contract.

i3 warrants that the Product hardware components shall be free from material defects in design, materials, and workmanship and will function, under normal use and circumstances, materially in accordance with the documentation provided with such hardware for a period of three hundred sixty five calendar days from the Date of Acceptance by End-User. End-User's sole and exclusive remedy, and i3's sole and exclusive liability for defective hardware components, shall be that i3, at its sole option, subject to the terms and conditions of this Section, and solely upon confirmation of a defect or failure of a hardware component to perform as warranted, shall either repair or replace the nonconforming hardware component. All replacement parts furnished to End-User under this warranty shall be new or refurbished and equivalent to new, and shall be warranted as new for the remainder of the original warranty period. All defective parts, which have been replaced, shall become the property of i3.

Hardware may only be returned to i3 with the i3's written prior approval. Any such approval shall reference a returned material authorization number issued by an authorized i3 service representative. Transportation costs, if any, incurred in connection with the return of a defective item to i3 shall be included in the cost of the repair or evaluation. Any transportation costs incurred in connection

with the redelivery of a repaired or replacement item to End-User by i3 shall be borne by i3; provided, however, that if i3 determines, in its sole discretion, that the allegedly defective item is not covered by the terms of the warranty or that a warranty claim is made after the warranty period, the cost of the repair by i3, including all shipping expenses, shall be reimbursed by End-User.

**Limitation of Liability. NOTWITHSTANDING ANYTHING ELSE IN THIS AGREEMENT OR OTHERWISE, NEITHER I3 NOR DEALER WILL BE LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR OTHER LEGAL OR EQUITABLE THEORY, REGARDLESS OF WHETHER END-USER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, FOR: (i) ANY PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOST DATA OR LOST PROFITS; OR (ii) FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS, TECHNOLOGY OR SERVICES; OR (iii) FOR ANY CLAIMS BASED ON ANY ERROR, DEFECT OR NONCONFORMITY IN THE PRODUCTS OR SERVICE, FOR ANY AMOUNT IN EXCESS OF THE PRICE PAID TO I3 FOR SUCH DEFECTIVE PRODUCTS(S) OR SERVICE; OR (iv) FOR ALL OTHER CLAIMS NOT RELATED TO AN ERROR, DEFECT OR NONCONFORMITY IN THE PRODUCTS, ANY AMOUNTS IN EXCESS IN THE AGGREGATE OF THE AMOUNT PAID TO I3 HEREUNDER DURING THE THREE (3) MONTHS PRECEDING THE DATE THE CAUSE OF ACTION AROSE.**

The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows:

#### **24. Special Attributes**

- a. Environmental - None
- b. If applicable, Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT) at the following website: [www.idintl.com](http://www.idintl.com)

**25. Data Universal Number System (DUNS) Number - 169276388**

**26. Tax Identification Number (TIN) Number - 86-1094893**

**27. Notification Regarding Registration in System for Award Management (SAM)**

Identification International, Inc. is registered with SAM.
